Development Association

*Third Sunday of Every Month*

# **july boulder markets**

**SUNDAY 17 JULY**

*Have you picked up your new 2016 - 2017 Boulder Market Day Calendar?*

## Time for Change

As you can see, there have been several changes coming into place around Market Day with Policy and Procedures, we are trying to make Market Day easy for everyone...

Please read through this newsletter carefully as it contains extremely important information in regards to the issues at Market Days that need to be rectified.

I am actively trying to make Market Days great for customers and clients; and have them run as efficiently as possible.

Thank you to all for having your bookings in before 5pm Friday before Market Day, it definitely has made the administration easier, please remember that we do not allow rock ups (people that rock up or into the markets and set up sites, all allocations are completed prior to Market Day), thank you.

Please read the Stall Holder Guidelines:

### Stall Holder Guidelines

---

## MEMBERSHIP AFFILIATION FEES

**2016 Annual Affiliated Membership Fee: \$10 is payable to help cover the costs of administration required by the City of Kalgoorlie Boulder and our Insurance Provider.**

If you are yet to fill in your form and pay the \$10 Membership Fee now is the time, no sites will be issued until these fees are up to date.

Otherwise you will no longer be covered under the Market insurance policy and will need to purchase your own and provide evidence before your site is allocated. You will still be required to pay the Membership fee to be associated with the Markets. This includes all stall holders - casuals, regulars and permanent, this is an annual payment only (once a year).

We need to get all of this information up to date immediately please as it is nearly July. This is extremely important, I am sorry that I am coming across harsh though this is for everyone's benefit.

### Market Day Affiliation Form

---

## Market Day Payments

I would like to thank everyone for site payments through Direct Deposit, PayPal and Santamarias, it has become a security risk to pay on the day and carry the quantity of cash throughout the Markets.

This also eliminates the risk of your site not being confirmed. If you are unable to attend the Markets for reason of sickness, etc we are more than happy to push your payment through to the next month.

If any regulars are interested in becoming permanent stall holders, there is a benefit in paying the 12 month fee as you only pay for 10 months, 2 months are free - \$300.00 annually plus \$10 membership fee every year.

### PAYMENTS

**Can be made through the following:**

**In Person:** Santamaria's on Burt Street (last monies accepted Friday 5pm before Market Day)

**PayPal:** [www.paypal.me/BoulderPromotions](http://www.paypal.me/BoulderPromotions)

For the use of the PayPal service please add an extra \$1.50

**Direct Deposit:** (last monies taken Thursday before Market Day)

BP&DA BSB: 036 125 ACC: 467389

Please put in your Name and Hobby/Trading Name as reference

### RUBBISH

We have received a letter from Council that all rubbish from the Stall Holders must be removed from site, any boxes, rubbish bags, etc are the your responsibility and must be removed from the Loopline Park, not dumped in or next to the bins provided.

**Boulder Market Day Guidelines State the following:**

- 1. Stall holders are asked to help keep the area clean and tidy and to remove any rubbish from your site**
- 2. Please remove all large boxes and packaging materials off the site and do not discharge grey water into the drains along the street**
- 3. Bins are provided for customer rubbish only**

If BPDA receives a monetary fine in relation to this matter, it will be passed along to the stall holders that defy the guidelines for payment. It is your responsibility to leave the grounds as you find them.
