If there is another we day, stall holders are more than welcome to set up in the street under the awnings in Burt Street as a few of the regulars took the opportunity to.

# Just a reminder...

## Reminder to Everyone

Sites book very quickly as of late and it is

**FIRST IN...BOOKED AND PAID....ARE CONFIRMED**

for Market Days.

As I do my best to accommodate your needs and site allocations, it is your responsibility to book in and pay your site fees in a timely manner, we have sent out two bulk texts and the newsletter through the bulk sender and via email this month to remind you about site bookings and fee payments.

**Regular Stallholders:** We are in a position that we are unable to hold your site, there is currently a waiting list every month for sites throughout Loopline and Burt Street. Payments are required upon booking of site as we will no longer hold your stall site.

If you are holding your site and do not pay for it until just before market day, your site will be reallocated to a stallholder that can pay the site fee upon booking.

We are coming into the busiest time of the year and this month, I have had many stall holders that confirm with me, have not paid and then the week leading up to market day no longer are able to make it, when this site could have been allocated to another stall holder from the beginning of the month.
